

Caerphilly Youth Forum is all about young people having a say on issues that affect them and to become actively involved in local decision making.

The issues voted for 2015-2016 by 552 young people are:

Education for Life

To Modernise the Youth Service so it fits young people's lifestyles (Wi-Fi in all building-based locations, improving access to the service and increasing awareness of the service through the use of social media)

50%

Health, Social Care & Well-Being

To make Young People feel safer in their communities (seeing people under the influence of drugs and alcohol make Young People feel unsafe in their communities)

22%

Living Environment

To raise awareness of what Mental Health is and how to support people

15%

Regeneration

To increase employment opportunities for Young People

13%
