

CYNGOR IEUENCID CONWY YOUTH COUNCIL

What is it all about?

Conwy Youth Council is a group of young people (aged 11 to 25ish) who aim to provide all of the young people who live in Conwy county with an opportunity to have a say on things which affect you. This is a great chance to meet other young people from Conwy and have a real influence on the way things are run in the county.

From your **Education** and **Health**, to things you do in your **Spare Time** and how we plan for your future in Conwy.

So **what have we done recently?**

It's all about you!

Improving work experience opportunities.
Working with TAPE to film Youtube clips for our Welsh Language project
Creating artwork for our Looked After Children project.
Been on training and team building courses. Also we meet regularly with the people who make decisions in Conwy.
Plus lots more....

How do I get involved in Conwy Youth Council?

There are two representatives from every secondary school in Conwy and four reps from Coleg Llandrillo. Members are democratically elected (voted on) within your school or college. (Each school does this differently - ask your teachers or your current reps). We're not necessarily looking for school council members to be representatives as they already have a lot of work to do.

What is expected of Youth Council Members?

- 11-25 years old
- Living in Conwy county
- Willing and able to come to a meeting twice a month (evening) and occasional full day training days (weekend). *The first training weekend is on the 17-18 October 2014*
- Willing and able to represent the other young people in your school/college (through your school council / course reps)
- Get involved as a group with projects to improve things for young people in Conwy (working with Conwy Children and Young People's Partnership & Conwy County Borough Council)
- Stay on the Youth Council for up to two years (minimum of one year)

Members of the Youth Council don't get paid, but it won't cost you anything to be part of the Youth Council – we will make sure that you can get to and from meetings and will cover any other expenses so that you can do everything to fulfil your role.

Apart from the basic things of representing your school/college and coming to the training and main meetings, you can take on as much or as little as you like.
