Welcome to the Young Wales newsletter

Young Wales is the participation work that is being run by Children in Wales and our partner organisations, and is funded by the Welsh Government.

Young Wales will ensure that children and young people are heard on issues that are important to them, and in particular that these issues are heard by the Welsh Government.

Each month we will bring you the latest news, including updates on the work that is being done by forums and other groups across Wales.

If you have anything you'd like to contribute, please email info@childreninwales.org.uk.

Young Wales attending UK State Party hearing on children's rights

Young Wales will be accompanying young people to Geneva on 23 May to a meeting where the UK Government will respond to issues raised in relation to the fifth periodic report to the UN Committee, about how the UK is doing on children's rights.

This is part of the reporting process on the United Nations Convention on the Rights of the Child (UNCRC).

The UNCRC sets out the rights that all children and young people have. Each state that signs up has to report periodically, and the meeting in Geneva is part of this process.

You can find out more about the UNCRC here.

Urdd Eisteddfod 2016

Young Wales will have a stand at the Urdd National Eisteddfod in Flint from 30 May until 4 June this year.

There will be lots of interactive activities for you to get involved in, if you are at the Eisteddfod, come along and say hello!

The Urdd Eisteddfod is a touring Welsh language festival of music, poetry and dance, giving children and young people a chance to socialise and use Welsh.

You can find out more about the Urdd Eisteddfod at http://www.urdd.cymru

Cardiff Youth Council bring politics to young people

Cardiff Youth Council has produced a digital hustings shout-out for the young people of Cardiff.
Questions based on issues highlighted by young people were put to Cardiff's 28 Assembly Candidates to better inform young people ahead of the 2016 Assembly elections.
The priorities highlighted by young people of Cardiff include:

- A curriculum which prepares us for life
- High quality mental health services
- Tackling racism and religious discrimination
- The Living Wage for all
- A reduced voting age 16

Candidates were asked to respond to the priorities in 500 words.

For more about what they had to say, click here to download the shout-out.

Members wanted for Pontypool Community Youth Council

Are you interested in being the voice of young people in Pontypool and/or representing the young people of your organisation on the Youth Council? Pontypool Community Council is in the process of re-establishing its Community Youth Council which has been in existence for nearly 20 years but has not had any members for the last few years.

Involvement will mean an hour or so every month after school to discuss issues relevant to young people that you raise or are raised by others who want the views of young people.

The Youth Council will be properly constituted with a Chairman and officers and there will be a budget with which you can organise events etc. for young people in and around Pontypool.

There will also be an opportunity to represent the Youth Council on the Community Council as its co-opted Youth Representatives. This is also a good opportunity to gain 'brownie' points for your CV for applying for jobs and to get a good reference. The only criterion is that you live in Pontypool and are aged between 11-25.

If you are interested please contact Ruth Tucker on 01495 742805 or email to rtucker@pontypoolcc.gov.uk.
